

Information Operations Courses (INOP) - Online Undergraduate

INOP 1XX Information Ops Elective 6 Cr.

INOP 302 Cyber Crime and Security 3 Cr.

This course provides an in-depth understanding of how science and technology impacts national security and intelligence. It examines how important hard science and technology is in developing areas of national security and intelligence. This includes analyzing cyber-security and cyber-warfare, the emerging relationship between the Intelligence Community (IC) and Information Technology (IT), space reconnaissance, and high-tech domestic espionage. Pre-requisites: none. Note: this course is under development and will be reviewed by the University Curriculum Committee.

INOP 310 Emergency & Disaster Relief 6 Cr.

This course examines how emergency managers respond to national, state, or local disasters. Students gain a broad understanding of the functions, challenges, key concepts and organizing principles of U.S. emergency management. Emphasis is placed on how emergency management is structured and organized by examining the National Response Framework (NRF), the National Incident Management System (NIMS), and the Incident Command System (ICS) as well as other standards that govern emergency management in the United States. Students will apply their learning to develop an emergency plan capable of addressing identified threats. This course requires broad knowledge, in-depth understanding, analysis, synthesis, and creativity in regard to the topics addressed. Pre-requisites: none. Note: this course is under development and will be reviewed by the University Curriculum Committee.

INOP 316 Info Ops & Infrastructure 3 Cr.

This course focuses on the skills required to operate a security program in an organization and the practical application of security practices. Topics include security structure, leading security projects, policy management, human factors of security, and physical security methods. Pre-requisites: none. Note: this course is under development and will be reviewed by the University Curriculum Committee.

INOP XXX Information Ops Elective 100 Cr.
